3. No objection Certificates (N.O.C.'s) should be obtained by the sponsor or their event managers from the relevant civic authorities (see Appendix 1).
4. The donation should be paid to the Museum at least ten working days prior to the event or the event may be cancelled by the Museum at their sole discretion.

6. Guests will not exceed the number confirmed on the event information form (Form 1). If for any unavoidable reason, guests exceed the stated number, the Museum reserves the right to levy a further donation charge on the number of extra guests or adjust a charge against the security deposit.
7. If at any time, the Museum becomes aware that the premises is not going to be used precisely as described in the information form, it reserves the right to annul the agreement and stop the use of its grounds. The donation and the security deposit will be confiscated and the consignee will, in this eventuality, not be entitled to a refund.
8. The sponsor will make their own arrangements for power supply and all other requirements for the event.
9. The Museum staff will assist with entry for guests to the event in order to assist with the count for their total number. As a courtesy to the Museum's neighbours, the volume of music will be controlled at a minimum DB level and the event will end at midnight sharp. The Museum has the right to ensure that the sound level does not exceed the limits to the extent of being a public nuisance.

11. In order to keep a cap on the sound level, the organisers will be required to have 12ft panelling at the back of the seating area – preferably running alongside the Museum’s compound wall. Only 2 monitors (speakers) and one/two boofers on either side of the stage are permitted. Other speakers be distributed and placed by the sides of the seating plan.
12. Decorative materials will not be affixed to the façade of the building.
